# Assignment - 2

## Title : Simple Wallpaper App

**Description :**  Your device's transformation is just a tap away. Once you've found that perfect wallpaper that resonates with your taste and mood, it's time to make it your own. With a simple click on the "Set Wallpaper" button, you can instantly bring this captivating image to life on your device's screen. Whether it's your smartphone, tablet, or desktop, you have the power to customize your digital world with the image that inspires you the most. Your device will become a canvas for your personal expression, reflecting your unique style and mood. Make your choice, click, and watch your device come alive with beauty and creativity.

**Code :**

```xml
<?xml version="1.0" encoding="utf-8"?>
<LinearLayout xmlns:android="http://schemas.android.com/apk/res/android"
